

Randolph County Opioid Committee

Meeting Minutes

September 5th, 2024

I. Call to order

Cris Siler called to order the regular meeting of the Randolph County Opioid Committee at 3:00 pm on September 5th, 2024 at County Commission Chambers in the James Cain Annex.

II. Roll call

Those attending were David Kesling, Chris See, Cris Siler, Erin Golden, Sheri Collett, Michael Parker, Rob Elbon, Shelby Wilson, and Melinda Lott.

III. Discussion

David started the meeting by giving the amount that is possibly going to be paid out for opioid funds over the next couple of years, and they also received a guidance letter on how to spend the funding. Shelby and David discussed being able to apply for additional funding.

David read the email about the Game Changer program that the city is wanting the county to cover. They are covering Elkins High and Middle and are wanting the county to cover Tygart's Valley High and Middle. Shelby elaborated on it. Elbon explained the pro-officers are already teaching that at Tygart's Valley so he is not sure if the county should purchase that. He said that the officers are still open to the DARE program. Shelby presented two videos on the Game Changer Program. Everyone agreed they like the program but they requested that Rocky Hebb come to the next meeting to let them know more about it.

Shelby said she put a questionnaire out for a needs assessment for recovery. She still thinks we need stigma and training in the community.

The next meeting is to be held on October 17th, 2024 at 3:00 p.m.

IV. Adjournment

Cris Siler adjourned the meeting at 4:00 pm.
